### 2.3 DRIVING

The police enforce the law strictly here in Australia: if you drink, *don't* drive, and if you drive faster than the speed limit, you *will* be fined! The police use various kinds of radar, and unmarked police cars to catch drivers, so please be careful and obey Australia's driving laws.

You will be fined if you use your mobile phone while driving and if you, or your passengers do not wear a seat belt. Most non-Australian drivers' licenses can be used for up to six months in Australia. International drivers' licenses are also recognised in Australia.

An international student that has a complaint should adhere to the following procedure:

1. In the first instance, the student is to approach the International Student Coordinator and request a meeting to explain their complaint.
2. If the student's complaint is not satisfactorily resolved within 5 working days, the student can then put the unresolved complaint in writing by requesting a Student Grievance Form from the International Student Coordinator.
3. Once the completed Student Grievance Form is completed and returned to the International Student Coordinator, it will be presented and reported at the next Taylorweir management meeting.
4. The matter will be addressed within 10 days of lodgment
5. The decision of Taylorweir management concerning the complaint and subsequent appeal outcomes will be advised to the student in writing.

6. Comprehensive records will be made of any appeal and subsequent actions and findings.
7. Accessing the Complaints and Appeals process does not put a student's enrolment at risk

The Western Australian Government provides an International Education Conciliator Service (IECS) for international students free of charge as part of the "Internal Process".

*Before the IECS will become involved, it is expected that the student and Taylorweir will have attempted to resolve the matter. However, Taylorweir or the student, may contact the IECS at any time throughout the internal appeals process.*

The **International Education Conciliator** Service can be contacted either by:

**Telephone:** (08) 9441 1929

On receiving a student's appeal against a report of unsatisfactory progress in two consecutive study periods, the International Student Coordinator shall:

- Ensure that the appeal is recorded in writing by the student and that the written appeal is provided to Taylorweir management for immediate consideration and referral to the External Independent Adjudicator (refer to Complaints and Appeals).
- Ensure that if the appeal is successful and the student is found to have a course progress that is above 50%, the student will not be reported to DIAC and DEEWR via PRISMS and there will be no further requirement for intervention strategies.
- Ensure that if the appeal does show that the student has demonstrated unsatisfactory progress, and there are compassionate or compelling reasons for their lack of progress, ongoing support must be provided through Taylorweir's intervention strategy and the student is not reported to DIAC and DEEWR via PRISMS.

The International Student Coordinator shall report to the Principal Executive Officer (PEO) all unsuccessful appeals and where:

- The student has not chosen to access the complaints and appeals process within the 20 working day period or if the student withdrew from the appeals process

Or,

- The process is completed and is adjudicated in the favor of Taylorweir (i.e. the students appeal was unsuccessful)
