The USI number gives each student access to their USI account which in turn helps students keep track of their training records. A qualification cannot be issued without a registered USI number.

If a student has not already been allocated a USI, one can be created through accessing the USI website: <https://www.usi.gov.au/>

1.5 COURSE FEE, DEPARTMENT OF TRAINING AND WORKFORCE DEVELOPMENT (DTWD) POLICY STATEMENT

1.7 FOOD AND BEVERAGES

Northbridge is the cultural dining hub of Perth; there are a variety of dining options all within minutes of Taylorweir.

1. STUDYING WITH TAYLORWEIR

2.1 ORIENTATION

Orientation is conducted in the morning on Day 1 of the course. Commencement day, date and time are detailed on the student's Course Enrolment email which contains the link to the Online Course Enrolment form.

During Orientation, students are given school-specific information relating to the workplace health and safety rules relevant to Taylorweir, emergency procedures, all relevant course information, rules of enrolment and an explanation of this handbook.

2.2 SCHEDULES, COURSE DATES, ASSESSMENT DATES, PUBLIC HOLIDAYS

Students receive a lesson plan for the semester on course day orientation. All classes commence at 8.30am sharp and concludes at 4.00pm with a 30-minute lunch break. *Your paid off the job training hours are 7 hours.*

The lesson plan details:

- ♦ What unit is being delivered on that day.
- ♦ Whether it is theory or practical.
- ♦ Client workshop days.
- ♦ Assessment dates.
- ♦ Public Holidays.
- ♦ Other relevant dates.

2.3 MAINFRAME

Maneframe is Taylorweir's booking and assessment management system. Maneframe Student Portal will help you stay organised by allowing you to:

- ♦ Book clients for workshops (and clients can book online too)
- ♦ Track your assessment progress
- ♦ Check in daily using a QR code on campus (after 8am only)
- ♦ Keep accurate attendance records

You will receive your own Maneframe user guide at Orientation. Getting familiar with Maneframe will make your time at Taylorweir smoother and more efficient.

2.4 COURSE CREDIT

Taylorweir recognises that students may have a qualification, previous education, or experience, which they may wish to have recognised. In accordance with the Australian Quality Training Framework, Taylorweir's recognises the AQF Qualifications and Statements of Attainment issued by other Registered Training Organisations (RTOs).

All students are made aware of the ability to apply for course credit via a RPL or Credit Transfer application throughout the enrolment and induction process of the course.

Students who have completed a Nationally Recognised Qualification or unit that has the exact same code as a unit currently enrolled, will be eligible for credit transfer for the unit(s)

Taylorweir is not obliged to issue an AQF Qualification or Statement of Attainment that is achieved wholly through recognition of units and /or modules completed at another RTO, for example:

- ♦ The student cannot complete all their learning and assessment with another RTO and request Taylorweir to issue the qualification through Credit Transfer or under Recognition of Prior Learning
- ♦ The amount of recognition contributing to the issuance of certification documentation from Taylorweir (i.e., using units/modules completed at other RTOs) is at the discretion of the Director of Taylorweir.
- ♦ In all instances, the onus is upon the student to demonstrate competence to the satisfaction of the Taylorweir assessors, including the provision of certification documentation.

2.5 COURSE PROGRESS

Students are expected to progress through the course at a steady pace. This can only be achieved by consistently attending the scheduled classes and bringing training and assessment clients to workshops as required.

If a student falls behind in their course progress, an intervention procedure will be initiated based on the specific areas of concern.

Should the student's progress not improve after the intervention strategy, The employer will receive a **"Course Progress Concerns"** report.

This Course Progress Concerns report will outline:

- ♦ The areas of concern
- ♦ The trainer's comments
- ♦ The strategies already implemented to help the student
- ♦ The trainer's recommendations.

If there is still no sign of improvement, an intervention meeting will be scheduled with the student, their guardian, and their employer.

2.6 CLIENTS

An important part of your course is ongoing practical demonstration on clients.

Students will need to refer to their lesson plan for when clients are needed for workshops.

Taylorweir will endeavour to provide suitable clients for all our **regional students**. It is difficult to source suitable clients for our students; therefore, it is important for Taylorweir to notify clients in due time if their appointment is to be cancelled.

Each regional student is given THREE chances with clients, if on the third chance throughout their course, the student does not show up to class without adequate notification or is late for their client, no further clients will be provided to the student, and the student will have to source their own clients from that moment on. Please note that all assessments require clients to be assessed.

It is in the student's best interest that they provide their own clients.

2.7 STUDENT WELLNESS

- ♦ Taylorweir takes the wellness of our students seriously and provides a Student Common Room where students can relax and socialise during break times or when they may need alone time to decompress during class.
- ♦ Taylorweir Management and staff are committed to the provision of support services for enrolled student with staff in place who are appointed for general welfare matters.

Arriving on time for your classes ensures you do not disturb your classmates, and you do not waste your time.

All classes commence at 8.30am sharp and concludes at 4.00pm.

3.1.5 SMOKING

There is a **NO-Smoking** and **NO Vaping** policy on Taylorweir's property including within the arcade.

3.1.6 ALCOHOL AND ILLEGAL DRUGS

Taylorweir maintains a "Zero Tolerance" on illegal drugs.

3.1.7 MOBILE PHONES

Mobile phones must be kept on silent in the student's bag. Taylorweir recognises that there are times when it is genuinely necessary to have access to your mobile phone. With permission from your lecturer, phones may be used to photograph your own work, and in genuine

circumstances; kept on vibrate. Students are not permitted to text, receive calls, or make calls during class times.

3.1.8 STUDENT CONDUCT

Students are reminded that Taylorweir is an adult learning environment. To foster an inclusive learning environment where all students can thrive, it's essential to address conduct issues promptly. This ensures that students understand Taylorweir's expectations regarding adherence to the Rules of Enrolment and Student Behaviour Standards 3. – 3.1.7 and the implications of their actions.

If a student repeatedly tests these boundaries, the following procedure will be followed:

1. **Initial Warning:** A verbal warning will be issued to the student.
2. **Employer Notification:** A memo detailing the student's conduct concerns will be sent to the employer.
3. **Return to Workplace:** The student will be directed to return to their workplace.
4. **Intervention Meeting:** An intervention meeting will be arranged, involving the student, their guardian, and the employer.
5. **Suspension:** If necessary, the student may face suspension as a consequence of continued non-compliance.

3.2 PAYMENT OF FEES POLICY

Students cannot commence until the statutory, R.T.O based fees, and charges are paid on enrolment, or alternatively have entered a course fee payment plan arrangement with Taylorweir.

It is the responsibility of each student to ensure the payment of their course fees.

On commencement, students must inform the Enrolment Officer if they wish to opt for a Course Fee Payment Plan with Taylorweir. Students are required to set up their own direct debit arrangements with their bank to ensure timely payments according to the agreed plan.

Please note: The "Course Fee Payment Plan Option" is unavailable to Block Release Students. Students seeking concession rates must present their concession card during enrolment. It is advisable to **contact Centrelink in advance** to ensure timely availability of the card.

[Low Income Health Care Card - Services Australia](#)

Once established, course fee payment arrangements must be maintained consistently.

Failure to comply with the payment plan may result in the student being unable to enrol in additional units unless alternative arrangements are made and agreed upon by Taylorweir. Non-compliance may also lead to cancellation of enrolment if the student fails to fulfill their Course Fee Payment obligations.

IMPORTANT DETAILS TO CONSIDER:

If an employer fails to fulfill their obligation to cover their apprentices' course fees, the apprentice (student) will be required to settle any of their outstanding course fees.

In cases where employers have set up a payment plan to cover their apprentice's fees, Taylorweir reserves the right to recover any outstanding fees from the student.

Any course fee payment disputes between employers and apprentices should be directed to the Fair Work Ombudsman for resolution.

[Apprentices and trainees - Fair Work Ombudsman](#)

Students who **change employment during their apprenticeship or traineeship may incur increased fees** on units that have not yet begun or units that have commenced but are

incomplete at the time of employer transfer. We encourage you to consult with your enrolment officer to determine if there will be any impact on your fees.

Financial support to help pay your fees is available through the Australian government in the form of **Apprenticeship Incentive Payments which you must apply for within 10 weeks of commencing your apprenticeship.**
