LGBTQIA+ STUDENT SUPPORT POLICY

At Taylorweir we are committed to providing a safe, inclusive and respectful learning environment for all students, including those who identify as LGBTQIA+.

We respect and value diversity and are committed to ensuring every student has equal opportunity to access training, participate in learning and achieve their goals, free from discrimination, bullying, harassment or prejudice.

We support LGBTQIA+ students by:

- Promoting an inclusive and respectful learning environment.
- Respecting students' identities, names, pronouns and privacy.
- Providing access to appropriate student support and referral services.
- Responding to concerns about discrimination, bullying or harassment in accordance with our complaint's procedures.
- Encouraging feedback to continually improve our student support services.

Students can seek support from our staff in a respectful and confidential manner, without being required to disclose personal information about their identity.

Taylorweir is committed to welcoming, respecting and supporting LGBTQIA+ students throughout their training journey.
